

## **The Builders St. Louis Home & Garden Show, presented by James Hardie, the Area's Favorite Home Product Market Place, Returns to America's Center March 6-8**

**St. Louis (January 12, 2026)**—The 46<sup>th</sup> Builders St. Louis Home & Garden Show, presented by James Hardie, returns to America's Center after a two-year hiatus due to construction at the convention center. The Home & Garden Show gives area consumers a chance to see, learn about and buy the latest home products and services under one roof and get expert home improvement advice from hundreds of local home pros. The Show is produced by the Home Builders Association of St. Louis and Eastern Missouri.

People want their homes to be their happy place, with spaces that fulfill a wide variety of needs. From design to functionality, many homeowners have areas of their homes that would benefit from updates. The Home Show is a great source for everything homeowners want to help create homes that fit the needs of today's families and give them their best home life.

St. Louisans can find what they are looking for, inside and outside their homes, including kitchen and bath designs and fixtures, flooring, furniture, window treatments, decks, fencing, windows, siding, doors, landscaping, hardscape materials and so much more. Visiting the Show will save attendees time and money, give them side by side comparison between products, and help them complete the home improvement projects on their list.

Show visitors are encouraged to bring photos of their homes as well as examples of items on their wish list to create ideal spaces in their homes. No question is too small and with hundreds of local home improvement pros in attendance, the answers are easy to find! Attendees will discover a variety of companies in one convenient location and find what they need to get started on their home improvement journey!

The Home Show is more than just windows and doors! It is a fun day out for the whole family, with a little something for everyone. Visitors won't want to miss these fun, entertaining and educational areas of the show:

- The **Lawn & Garden Marketplace** has beautiful outdoor living spaces with the newest design ideas and materials and companies with products, services and experts to help people make the most of their outdoor spaces, from quaint to elaborate.
- Visit the Lifestyle Stage for presentations by **the Renegade Gardener, Don Engebretson**. Back by popular demand, Don will share expert tips and techniques on how to become a better gardener and create beautiful yards and gardens. He will talk about *Gardening for the Bees, Birds and Butterflies* and share *12 Pro Landscaper's Tips I Bet You Don't Know*.
